CNM 2024 Summary Report

Gratitude and Acknowledgment

Christ for the Nations Ministries expresses gratitude to God, team members, partners, and sponsors for their contributions in 2024.

OUR JOURNEY IN 2024

Leadership Training

The ministry conducted 3 significant leadership training sessions, including a three-day conference in Kigali attended by over 200 leaders from a major denomination in Rwanda. Focus was placed on balancing life and ministry.

Women Empowerment

The "Women Arise" conference aimed to empower women to realize their potential, with participation from numerous leaders.

Youth Programs

The ministry is committed to expanding its youth leadership programs in universities and churches, with plans to launch the CNM young leaders program in 2025.

Evangelism Training

Evangelism training was conducted across seven districts, mobilizing church leaders from various denominations.

Impact of Saving Groups

Over 208 church facilitators have been empowered to lead serving groups, resulting in positive changes in families, including improved livelihoods and spiritual growth with over 1000 members.

Sponsorship Programs

The sponsorship program, particularly has significantly impacted children's education and family welfare, with many children achieving academic success.

Home-based Care Initiative

This program supports 5 widows and 32 children, with success stories of children transitioning into businesses and professional careers.

VISION FOR 2025

The ministry aims to enhance leadership, Missions and Youth Programs, expand Community Financial saving groups, and increase Sponsorship Programs. Purchase Ministry land for operations offices.

NEW INITIATIVES

The introduction of TV programs has provided a platform for sharing impactful stories and the ministry's work.

In Conclusion...

- Christ for the Nations Ministries has made significant strides in leadership training, youth empowerment, and community support in 2024.
- The positive outcomes from various programs highlight the ministry's effectiveness in addressing social challenges and fostering spiritual growth.
- The vision for 2025 indicates a commitment to further expansion and impact, particularly in leadership development and youth engagement.
- The ministry's initiatives, including the new TV programs, suggest a proactive approach to outreach and storytelling, enhancing community awareness and involvement.
